

MERIT

Medical Emergencies Recognition, Intervention & Treatment

Target Audience:

Registered Nurses, Enrolled Nurses, Junior Medical Officers and Ambulance Officers who care for acutely unwell medical patients.

Course Overview:

Responding to a medical emergency on the ward can be a daunting prospect. The MERIT simulation workshop is designed to provide you with the opportunity to practice the skills required to recognize, respond and manage medical emergencies in a safe environment

Topics covered in the simulation workshop include:

- Febrile Neutropenia
- Anaphylaxis
- Sepsis
- Chest Pain

Maximum of 12 participants.

If you require any further information please contact the Simulation Team on 66207570, or email simulation@ucrh.edu.au

If you wish to attend, please complete the [online registration form](#) (registration link also accessible via QR code).
